

BRYAN LEAGUE ANTI-HEARST

Issues Official Statement Saying
It is Doing All it Can to
Defeat Him.

CALLS HIM ADEPT AT BOLTING

Supporters of Hearst and Hughes Prof-
ess Confidence in Outcome of
Tuesday's Election.

New York, Oct. 31.—The Bryan Demo-
cratic league of New York tonight
sent out an official statement which
says that while it is making every ef-
fort to elect the state and local tickets,
it is doing all it can do to defeat Mr.
Hearst.

"Mr. Bryan's friends, who are desert-
ing Hearst by the thousands," says the
statement, "do not feel that they are
losing their party regularly, as they
consider Mr. Hearst himself to be the
chief adept in the art of bolting."

No voting machines will be used at
Tuesday's elections in New York. It
has been intended to experiment with
a number, but the legal tangle over
nominations and the delay in determin-
ing just what names should appear as
candidates, made the experiment im-
practicable. Court decisions also de-
layed the printing of the ballots, and
only after the court of appeals decision
yesterday could the printers proceed
with the work of preparing the 3,000,000
ballots necessary on Tuesday.

With election day less than a week
away the two candidates for governor
of New York are making their last ap-
peals to the electorate voters, and to-
morrow will see both Charles E. Hughes
and William H. Hearst headed toward
Greater New York, where the final ar-
guments will be made. Their last swing
around the circle has been made in ad-
verse weather conditions, and both
are voice-worn from frequent outdoor
speaking. But neither rain nor snow
has dampened the enthusiasm of the
crowds that have gathered everywhere
to greet them.

Today Mr. Hearst began his day's
tour from Oswego, where he spoke last
night, and his train tonight reached
Bryantown. Tomorrow he will close his
day at Schenectady, and thence will re-
turn to New York City for the final
series of meetings.

Mr. Hearst started from Rochester
this morning for Niagara Falls. Snow
and rain fell all along the line, and his
falling voice obliged him to discontinue
outdoor speaking. Tonight he appeared
at five meetings in Buffalo, and to-
morrow night he will be in New York City.
There were several incidents today
tending to accentuate the already in-
tense interest in the outcome of the
campaign. In this city the measure of
the day was the action of Mr. Hearst
in appealing direct to Judge Otto A.
Rosakiss of the court of general ses-
sion to take vigorous measures against
the board of election for their alleged
criminal negligence in failing to pre-
vent the loss of destruction of Inde-
pendence league nominating petitions.

Dist. Atty. Jennings, when Mr. Hearst's
request was laid before him, decided
that the matter should first be sub-
mitted to a magistrate for inquiry.
Mr. Hearst has offered rewards ag-
gregating \$50,000 for the arrest and con-
viction of persons guilty of election
frauds on Nov. 6.

The publication this afternoon of a
telegram from Richard Croker in Ire-
land to State Senator McCarron, De-
mocratic leader of Kings county, reading:
"Congratulations you on manly stand you

have taken, win or lose," caused ex-
citement in Democratic headquarters
in Brooklyn.

To Mr. Croker's cable Mr. McCarron
replied: "Thanks for cablegram. May
I use it?" The answer was: "You may
publish message."

McCarron has consistently opposed
W. H. Hearst since the Buffalo conven-
tion. Mr. Croker's cablegram was re-
ceived by Senator McCarron, Oct. 29.
As the result of yesterday's decision
of the court of appeals on the question
of the validity of certain nominating
petitions filed by the Independence
league this city, that organization
today issued a statement to the effect
"that the Independence league's column
will be found on the official ballot when
the voter opens it to make his mark on
election day."

Supporters of both Mr. Hughes and
Mr. Hearst profess confidence in the
outcome of next Tuesday's election.
William Barnes, Jr., former chairman
of the executive committee of the Re-
publican state committee, who, it was
said at Republican headquarters, had
made a careful study of reports sent
from the various counties, and who
throughout the state estimates that Mr.
Hughes will have an upstate plurality
of 200,000.

The Independence league gave out a
statement tonight concerning Mr.
Hearst's campaign update, in which it
predicts his election.

"Reports from upstate relative to the
growing Hearst strength," says the
statement, "are unusually encouraging
today. The organizers, who make a
weekly report to the executive com-
mittee of the league, were in the city,
and describe the party of Mr. Hughes
supporters and the Republican machine
as genuine, and that the confidence of
the Hearst supporters is convincing. The
Republican management as well as the
Independence league management knows
that the election has been won by
Mr. Hearst. There is practically no
Democratic defection."

"The southern tier is reported safe
by the Democratic and League can-
didates. The northern tier, that in the
past has been so confidently banked
upon by the Republicans, is manifestly
in an anti-Hughes feeling of great
proportions."

A GOLDFIELD TRAGEDY.

Sherman Parker, an Assayer, Shot by
James Smith.

Goldfield, Nev., Oct. 31.—Sherman
Parker, an assayer, was shot and badly
wounded at his place of business on Co-
lumbia street at 1:30 o'clock this after-
noon by James Smith, an employe. The
trouble between the men arose over a
sack of high grade ore which had been
taken from the office. Parker accused
Smith of stealing the ore, which was
valued at \$500. Smith denied it, and
the lie was passed, and both men drew
guns and began shooting. Smith re-
treated to the back room of the office
and secured a shotgun loaded with
buckshot. Parker started to run out
the back door and Smith let him have
it. The clothes of the injured man were
riddled with bullets and he received two
serious wounds from which he bled
profusely, but was able to walk to his
home. Smith secured himself in the
back room of the office, but made no
resistance when found by the officers
and placed under arrest.

The streets were thronged with brok-
ers and business men when Smith was
led to jail, and some one cried, "Lynch
him!" but the crowd was not inclined
to do so and there was no demonstra-
tion.

Both Parker and Smith are from Crip-
ple Creek. Parker has been engaged in
business here for the past two years,
but Smith is a newcomer.

GEORGE ADE TO MARRY.

New York, Nov. 1.—A Boston special
to the American press agency states
that a marriage ceremony was held
yesterday when Newcomb Carlton, the
architect of the exposition buildings,
wedded Mrs. Josephine Winslow Smith
of this city, widow of Clifford Smith,
an opera singer who has sung in several
Savage operas.

NEW YORK POSTAL RECEIPTS.

New York, Nov. 1.—The report of
Auditor Jadhav of the New York
postoffice shows that the receipts for

Order a sack of Husler's Flour

HUSLER'S FLOUR!

If you would get the best results
from your baking efforts.

the month of October from the sale of
stamps, etc., reached \$1,721,969, the
largest month's business in the history
of the office. This is an increase of 14
per cent over the corresponding month
last year.

In commenting on the report Post-
master Willcox said it showed a pros-
perity throughout the country that ex-
ceeded anything known in the past.

\$65,000,000 in Dividends.

New York, Nov. 1.—The banks here
will pay out in dividends more than
\$65,000,000 today.

Among the big dividends to be paid
are those of Canadian Pacific, Central
railroad of New Jersey, Detroit United
railway, Evansville and Terre Haute,
Great Northern railway, H. B. Claffin
company, New Central Coal, Northern
Pacific, Pacific Coast, Tennessee Coal
and Iron, etc.

THE LORDS CHANGE THE EDUCATION BILL.

London, Oct. 31.—The house of lords
continues to make far-reaching changes
in the education bill, and in Liberal cir-
cles the opinion is expressed that if the
bill is carried in its present spirit the
bill will hardly be recognized when it
returns to the house of commons.
Clause two of the bill was completed to-
night after radical alterations, mostly
by the introduction of amendments, and
a distinct atmosphere of tension in the
upper house.

The sittings now present a brilliant
and imposing spectacle, and the house
of lords is crowded to the top of the
opposition occupy a considerable
portion of the government seats and the
peers through their special galleries.
A number of peers who have not been
seen in the house for many years are
now regular attendants.

It is apparently has been determined
that the ministry will not tamely sub-
mit to the lords. This metamorphosis
was indicated by the president of the
board of trade, Lloyd George, who,
speaking at Spalding tonight, declared
that the work of "reediting" the bill
would terminate in a complete over-
haul of the bill, and that the ministry
was determined to stand by its prin-
ciple of compulsory religion, to which the
country would not submit.

It was absolutely intolerable, said
Mr. Lloyd George, that the house of
lords should override the decisions of
the people at the last election, and the
government was determined to stand
by the bill. The people had out-
grown the old system of catechisms and
the old teachings that they were to be
humble and lowly before their betters.
They would no longer be content, the
president of the board of trade said
in conclusion, with lessons in class humili-
ty.

CLIMAX OF A ROMANCE.

New York, Nov. 1.—A romance that
began at the Pan-American exposition
at Buffalo, reached its happy climax
yesterday when Newcomb Carlton, the
architect of the exposition buildings,
wedded Mrs. Josephine Winslow Smith
of this city, widow of Clifford Smith,
an opera singer who has sung in several
Savage operas.

S. F. GRAND JURORS.

Inquiry Into Men's Eligibility to Serve
Continues.

San Francisco, Oct. 31.—The inquiry
into the eligibility of the men called to
serve as grand jurors was continued to-
day before Superior Judge Graham. Al-
though the crowd in attendance was much
smaller than on previous days, the pro-
secution was present to preserve order.
Asst. Dist. Atty. Heney renewed his ob-
jection to the exclusion of a certain
keeper, on the ground that his name
was not on the assessment roll.

Mr. Heney attempted to show that De-
aley had paid taxes on personal prop-
erty, but Heney contended that this did
not appear in the records in St. George's
collector's office, and that these records
constituted the best evidence regard-
ing the matter.

Extended arguments ensued, during
which it was asserted that the record
wanted had been destroyed in the great
fire.

Judge Graham decided that Dealey,
having made a sworn statement, and the
grand jury in the early part of the
year, was subject to the ruling made in
the testimony of Daniel yesterday,
and therefore he was discharged from
service.

Dealey testified against the order of
discharge. He said that he had never
supported any political party. He de-
clared he held no license of a saloon,
his business was that of a real estate
dealer.

PROF. WEST DECLINES.

Boston, Oct. 31.—Prof. Andrew Fleming
West of Princeton university, who was
offered the presidency of the Massa-
chusetts institute of technology two weeks
ago, today declined to accept the office.

WOULD PROSECUTE LUMBERMEN.

Ottawa, Ont., Oct. 31.—The coroner's
jury, which has been investigating the
death of strikers killed in the riots at
Maclean's mill, today recommended
criminal prosecution of Albert and Alex-
ander MacLaren, the millionaire lum-
bermen.

The verdict declares they are respon-
sible for the death of their men because
they brought the detectives here who fired
the fatal shots. The detectives and sev-
eral men who took part in the riot should
be held for the criminal court, the ver-
dict declared.
